

## LED BATTEN LIGHT

Universal fixing points for easy fluorescent retrofit

Emergency Version  
Available

FLICKER  
FREE

BESA MOUNTING  
KIT

Compatible

MICROWAVE  
PIR SENSORS

Option Available

### FEATURES:

- Sleek, stylish appearance – no visible screws or fixings
- Innovative clip on fascia for quick and easy installation
- Powerful 110lm/per Watt
- Flexible cable mounting position – allows for multiple application use
- Universal mounting holes, a direct replacement for 95% of all fluorescent battens
- Strong slimline polycarbonate diffuser for optimum light distribution
- Excellent colour rendering (Ra80>)
- Steel body gives excellent rigidity
- Emergency and PIR options available

# LED BATTEN LIGHT

Universal fixing points for easy fluorescent retrofit

Part No.	233008	233015	233022	233039	233046	233053
Emergency Part No.	233060	233077	233084	233091	233107	23114
DESCRIPTION	4ft Single	4ft Twin	5ft Single	5ft Twin	6ft Single	6ft Twin
WATTS	6W	12W	15W	18W	20W	24W
DIMENSIONS	1219mm	1219mm	1524mm	1524mm	1828mm	1828mm
POWER CONSUMPTION	220-240V AC					
POWER FACTOR	0.9					
COLOUR TEMPERATURE	4000K (CooWhite)					
COLOUR RENDITION (CRI)	Ra>80					
CURRENT	1000mA					
LUMENS	2760lm	4400lm	4180lm	6600lm	5280lm	7150lm
COLOUR RENDITION (CRI)	Ra>80					
IP RATING	IP20					
BEAM ANGLE	140°					
CONSTRUCTION	Steel/ PolyCarb diffuser					
WORKING TEMPERATURES	-20°C to +45°C					
ENERGY CONSUMPTION	23kWh/40kWh		38kWh/60kWh		48kWh/65kWh	
LED TYPE	2835 SMD					
CERTIFICATION	CE, RoHS					
WARRANTY	1 year (+ 4 years extended warranty with online registration) Battery 1 years only					
BUILDING REGS - PART L	Yes					

BRIGHT SOURCE

Formerly rated A+  
(same quality,  
new energy rating  
label regulations)
